G

I serve a risen Savior, He's in the world today;

A D

I know that He is living, whatever men may say;

G

I see His hand of mercy, I hear His voice of cheer,

A D

And just the time I need Him He's always near.

G C G

He lives, He lives, Christ Jesus lives today!

D G A D

He walks with me and talks with me Along lifes narrow way.

G C E

He lives, He lives, salvation to impart!

E7 Am7 D G

You ask me how I know He lives? He lives within my heart.

G

In all the world around me I see His loving care,

A D

And tho' my heart grows weary, I never will despair;

G

I know that He is leading thro' all the stormy blast,

A D

The day of His appearing will come at last.

G

Rejoice, rejoice, O Christian, lift up your voice and sing

A D

Eternal hallelujahs to Jesus Christ the King!

G

The Hope of all who seek Him, the Help of all who find,

A D

None other is so loving, so good and kind.

D2                                              C    G                                              D2

Like the beams that from the sun Pierce the blackness of the night,

D2                                              C    Em                                              D2

Come to us, O Promised One, Spirit, Light.

D2                                              C    G                                              D2

Pure as saints that have attained, Clad in brightness for attire,

D2                                              C                      Em                      D2

Cleanse our souls by vileness stained, Spirit, Fire.

D2                                              C    G                                              D2

Stronger than uplifted arm In the turmoil of the fight,

D2                                              C    Em                                              D2

Shield our timid souls from harm, Spirit, Might.

D2                                              C    G                                              D2

Soothing as the calm that warms When the winds and billows cease,

D2                                              C    Em                                              D2

Comfort us when fear alarms, Spirit, Peace.

D2                                              C    G                                              D2

Come, O Gracious Spirit, come, We would have You for our guest;

D2                                              C    Em                                              D2

Make our souls Your chosen home, Spirit, Blest.
